ALARM WP2 virtual meeting - 22 January 2021

Target goal: The objective of this meeting is to present the type of alert products we want to develop inside ALARM EWS, specify the inputs from each partners (action plan) and to fix deadlines.

10:00 – 10:30	BIRA will remind the objective and the timeline of WP2 + presentation and status of ALARM EWS hosting platform + specifications of the alert products planned to be created by ALARM EWS
10:30 – 10:45	Description of the inputs from SATAVIA, action plan & deadlines
10:45 – 11:00	Description of the inputs from Univ. Padova & UC3M, action plan & deadlines
11:00 – 11:15	Description of the inputs from DLR, action plan & deadlines
11:15 – 12:00	Discussion/agreements (action plan, deadlines and delivery of alert products to WP6)
